AFFECT EFFECT

PROFESSIONAL QUALITY **FOR EVERYONE!**

We are a young, Polish brand that produces make-up cosmetics of professional quality and at an affordable price. Our adventure began in 2015 in Bielsko-Biala and today our products are available in over 20 countries on 3 continents.

The AFFECT cosmetics are a gift from professionals for make-up enthusiasts - durable textures, pigmented colors, precise applicators, skin care nutrients.

Our offer includes a wide range of cosmetics that allow you to perform complete make-up at the highest level.

Made In Poland

AFFECT

The founders of the AFFECT brand, Agnieszka Kuśnierz and Beata Łysoń-Dobrocińska, were united by friendship and a common dream of creating their own cosmetic brand with the highest quality products which would meet the needs of modern women. From the very beginning, the brand was founded not only on business assumptions, but most of all the desire to support women in expressing themselves and searching for their own beauty.

AFFECT was created from the combination of passion for cosmetics and the creative ideas of professional make-up artists.

IDEAL BLUR PERFECTING FOUNDATION

The SOFT FOCUS effect, also known as BLUR, was obtained by combining polymers with porous silica and an active substance: glucan biopolymer, which guarantee even light distribution over the entire face and immediate lifting and smoothing effect. An additional advantage of the cosmetic is the anti-wrinkle complex based on a peptide and fortified with the rose petal extract. This is how the product fights free radicals. The cranberry extract has a moisturizing and lifting effect. It also has antioxidant properties. The foundation has a light consistency that makes the application easier. It works actively from the first contact with the skin.

TREASURES PRESSED EYESHADOWS PALETTE

A selection of the best-selling eyeshadows in a limited palette created especially for the world exhibition EXPO 2020 in Dubai. They are treasures that we want to share even in the farthest corners of the world: excellent quality eyeshadows in iconic shades and a beautiful design inspired by handmade lace. The palette will allow you to create multi-dimensional make-up for any occasion. Matte natural shades are complemented by delicate colours with an effective shine. Each of the eyeshadows is applied like a dream, ensuring a spectacular effect. The make-up crème de la crème was closed in a palette inspired by the motif of handmade lace, deeply rooted in the Polish folk culture, designed by the Polish artist-illustrator Przemek Sobocki.

Capacity: 12 x 2 g

SWEET HARMONY PRESSED EYESHADOWS PALETTE

This unusual palette is a composition of 12 perfect eyeshadows in cool tones. Thanks to their captivating pigmentation and harmonious combination of colours, the eyeshadows will allow you to create natural and fresh make-up in the boho style, or bold fashion make-up in contrast. The eyeshadows spread and blend perfectly with each other. Additionally, they stay on the eyelids for a very long time.
